# Nursery Forest School

The nursery children were lucky enough to take part in Forest School work this year. They spent time at our Forest School area and also went on a bus to visit our friends at St. James. We had so much fun getting muddy and taking part in all the activities. Thank you to our lovely parent helpers!

# Uniform Policy

September 2017

## Key Points to remember:

All uniform items should be clearly **marked with your child's name**.

Footwear - **Children should wear sensible flat black shoes to school (not trainers.)** No platform soles or high heels are allowed.

Children are not to come to school with **unnatural coloured dyed hair or/and outlandish/ extreme hairstyles** that cause a distraction to others.

The only jewellery permitted in school on health and safety grounds is a **wristwatch and a medical bracelet**. Watches should be removed and medical bracelets covered with a sweatband to partake in P.E.

**Earrings are strongly discouraged in school.** If parents opt for their child to wear earrings they must only be small studs, either silver or gold.

***Children who are participating in P.E., swimming, sports clubs and /or physical activities must not wear earrings.*** On days when these activities are scheduled children must leave their earrings at home. We do not want pupils removing and replacing earrings. This is due to the potential risk of injury, earrings being lost/stolen and the spread of infections. ***Staff will not be responsible for the removal, insertion or storage of earrings.***

***Make-up*** is not to be worn to school by children.

# Blueprint 2020

September 2016/17 sees the fourth year of our dynamic six year school development strategy. This innovative and far ranging plan will bring our school to the next level in terms of learning and services to our community.

In this section we want to share some of our key strategic goals for the year ahead and then focus in on a few of the key innovations. Over the next year we will regularly report on what has been achieved and the new projects that we develop.

## Strategic Leadership

To share good practice across the school and beyond to enhance staff development and pupils' attainment. This will include the development and coaching of curriculum leaders;

The continued development of Shared Education with St. James's Primary School. In particular, this will allow the schools to promote S.T.E.M. and Forest School learning as well as achieving 'Rights Respecting Schools' status;

To engage with community stakeholders to increase aspirations, attainment, early intervention and collaboration. This will include focused family learning support interventions.

## Ethos

Implement and review a whole school wellbeing strategy;

Achieve the British Council's International School Award by June 2018;

Use the pursuit of the Eco Green Flag, by June 2019, as a means to educate our school community to be more eco friendly.

## Learning and Teaching

90+% of pupils, in both, Literacy and Numeracy will achieve as expected or above;

I.C.T. will more effectively enrich creativity, thinking skills and improve school management;

Review and update our P.D.M.U. provision.

## End of Year Report

- The Eco Committee achieved their **Bronze Award** and had a **new Waste Week** to promote 'green' values across the school. I am sure you have all noticed the **lovely new garden** area that Miss McIntosh and Mrs Weir have developed. It is fab!
- The P.D.M.U. Team have completed some **baseline work** on the status of the area in the school. In 2017/18 to 2018/19 we hope to have a major focus on refining our work within P.D.M.U.
- The Education Authority seem to have finally signed off on the **new outdoor learning zone**. To be fair, this type of funding has been a first for the Education Authority but now they have gotten over the administration issues they are totally committed to the completion of the park in the near future.
- The end of year **literacy and numeracy results**, yet again, were very pleasing. Nearly all pupils are either meeting or exceeding their potential and our numeracy results have increased again!
